Next Steps

For narrowing down your topic, you should think about a *specific focus* within your assigned topic.

We encourage you to come up with a *specific focus*. Contact your advisor for the seminar **until 03.03. at 23:59**, telling him/her your *specific focus*.

If you do not contact your advisor, you will be assigned a *specific focus*. We will announce your *specific focus* on **07.03.**

The starting points for the *specific focus* are the questions and references presented in the introduction lesson.
