Declaration of independence for written work (Eigenständigkeitserklärung)

I hereby declare that I have composed this work independently and without the use of any aids other than those declared (including generative AI such as ChatGPT). [The use of any generative AI aids has been approved in advance with my supervisor. I am aware that I take full responsibility for the scientific character of the submitted text, even if AI aids were used and declared]. All passages taken verbatim or in sense from published or unpublished writings are identified as such. Any parts of this work that have previously been submitted in the same or similar form for any other purpose are explicitly specified.
