

PhD Program in Informatics

Form 2 - Version 0.3

21.11.2023 / KS

**Announcement of the PhD Thesis Defense
PhD Program in Informatics PVO 2008**

The defense is open to the public and will be announced on "ifi_news" (PVO § 41 Abs. 2).
The reviews of the supervisor and the reviewers have to be accessible to all professors of the
Department of Informatics during ten working days prior to the PhD thesis defense (PVO § 38).

PhD candidate information

Last name: _____ First name: _____
Student no.: _____ E-Mail: _____
Thesis title: _____

PhD defense information

Date of defense: _____ Time: _____
Location: _____
Chair: _____

The supervisor confirms the date of the defense

Date: _____ Signature: _____

The reviews have to contain a grade between 1.00 (failed) and 6.00 (excellent). A grade ≥ 4.00 means "passed". Grading is done in quarter steps (e.g. 5.00, 5.25, 5.50).

This form and all reviews have to be in the Study Coordination at the latest ten working days prior to the defense day.
